

Fork Mounted Sweeper

Fork Mounted Sweeper - The lift truck mounted broom accessory can truly make industrial sweeping work a lot easier. Meant for use on either wet or dry surfaces, this mounted broom attachment can push snow and squeegee water easily. This accessory is frequently used in order to clean garbage from warehouses, construction sites, docks, parking lots and almost everywhere it is required. The forklift sweeper is a low maintenance attachment which utilizes quick-tite fork products to effortlessly connect to the forklift.
