

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers services, products and solutions to be able to ensure efficiency and increase the productivity within commercial, residential and industrial surroundings. They pride themselves in delivering products to be able to improve the security, health, safety and comfort of individuals all over the world through their four worldwide segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building advanced controls, services and parts support used for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies sector provides products and solutions that enhance their clients' energy efficiency, productivity and operations. The product range is diverse ranging from tools and pumps, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in golf and utility vehicles meant for individuals and companies.

Brand names like for example Trane and Schlage provide residential solutions that offer efficiency, comfort and safety to home owners around North America. Their innovative products consist of mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, advanced controls, remote home management and portable security systems.

The sector comprising Security Technologies provides products that ensure productive, secure and safe environments. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel locks, doors and frames, locksets and decorative hardware. Recognized brand names such as Schlage also offer attendance, personal and time scheduling systems.
