

## American Lincoln Parts

American Lincoln Parts - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the industry they are known in the industry as providing strong and durable machinery which meets all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company who is now likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These types of scrubbers are accessible in the market under the brand name "Encore". American Lincoln can supply parts, warranty service and machinery for these types of scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where efficiency and results count. Lately, this particular floor scrubber model has been requested by the architects in new construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site due to the model's supreme performance level and excellent quality for polishing concrete.
