

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They enjoy providing items that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK likes dealing with new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills together with their knowledge of cleaning applications, together with owners' strong desire to considerably lessen cost through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both parts and in technical support will be accessible. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery running and ready on a daily basis is top priority. The company's top of the line technology delivers reliable equipment that ultimately reduces your cleaning cost. The product, the price and the service all work together to make them the leader in the business.
